32nd ANNUAL SCHOOLS OF WHITEHORSE FOOD DRIVE

On Wednesday, October 9th, 2019, the students, staff, and families from all Whitehorse schools will be participating in the annual **Thanksgiving Food Drive**. This has become a very important effort within our community and provides the Whitehorse Foodbank with approximately **three months of food** to assist those who have difficulty ensuring food security.

Participants should gather at Vanier School **by 5:45pm**. Students will be matched up with drivers and will spend the evening picking up bags of food at residences in Riverdale. Collection will happen between 6:00 pm and 8:00 pm and the **bags of food will be immediately delivered to the Whitehorse Food Bank at 305 Alexander Street**. **Students may wish to help with unloading bags at the Food Bank. This work will likely be completed by 8:45 pm and students can be picked up at that time.**

Please return the form below by Thursday, October 3rd, 2019.

If you have any further questions, contact:
