Re: June 2015 BC Provincial Exam Schedule

We are aware that many families are beginning to make plans for the summer break and wish to bring to your attention that the BC Provincial Exams will be written after the end of the Yukon school year.

The last day of school in Yukon Schools is Monday, June 15. All classes and school-based exams will be completed by this date. However, we do not have the ability to offer BC Provincial Exams outside the schedule provided by the BC Ministry of Education. These exams are scheduled to be written from June 18 to June 24 (see schedule on reverse of this letter).

We wanted to ensure all families of students enrolled in these courses were aware of this as early as possible so that these dates can be included in any summer plans.

For those who are unable to write the exams during the June session, there are two potential options:

- To write the exams early in the May 2015 session; or
- To write the exams late in either August or November 2015

If you have any questions or concerns about the BC Provincial Exams, please don't hesitate to contact me.

Sincerely,

Ryan Sikkes
Principal
